# How The App Work

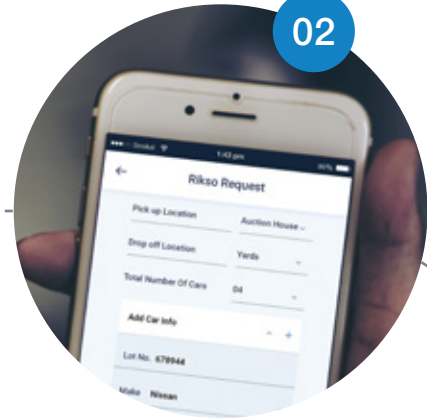

01

## Sign Up

To start the process, simply sign up to the app and add your details to initiate the process of the delivery.

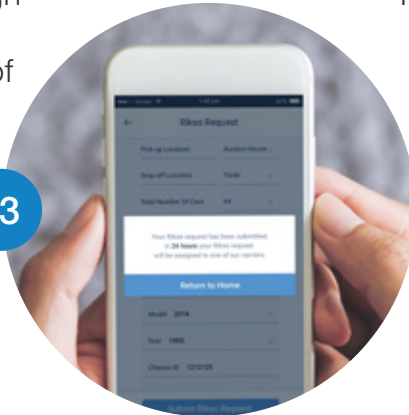

02

## Submit Request

For the booking of the vehicle fill up the required information about your car and submit the delivery date.

03

## Driver Allocation

After the submission of the request, a driver will be allocated within 24 hours, to carry out the job.

04

## Picture Uploading

After the pick-up for further clarification and confirmation, the pictures of your car will be uploaded on your app account.

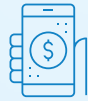

05

## Vehicle delivery

The driver will deliver your vehicle to the desired port on the given delivery date and will upload the pictures.
